Overview

Over the coming months IPI Academy and FutureWork Forum will be offering a series of interviews, presentations and round table discussions on today's leading business challenges.

Our next powerful conversation on the 17th of March will feature Rudi Plettinx, CEO & Founder of Susteneri Group – a leading consultancy that majors on sustainability.

Rudi will be joined in conversation by colleagues and associates Luc Guraguet-Duport and Ugeshree Thakurpersad Director & Founder of DevRani Consult.

The session will seek to cut through the fog of corporate veneer that frequently surrounds the sustainability and ESG agenda, and explore the following questions:

- *Clarity on your starting point - what is your current footprint, what are your biggest opportunities and where should you invest?*
- *Do you have a clear strategy and practical implementation plan to progress towards your net-zero goal and are you unsure as to how to demonstrate that you have reached this target?*
- *Are you having trouble in finding the right partners to implement changes in a cost-effective way?*
- *Do you feel you have no or limited knowledge - or tools - to monitor progress towards your defined goals?*

This is a 60-minute free event, book your place now!
