Risk Evaluation and Mitigation Strategies (REMS) vs Risk Management Plans (RMP)

A comprehensive comparison between the importance Risk Evaluation and Mitigation Strategies (REMS) and Risk Management Plans (RMP) in drug safety.

Format:
Bespoke training

CPD:
3 hours for your records (depending on your requirements)

Certificate of completion

Course overview

On this course, participants will gain an in-depth understanding of the purposes, regulatory requirements, and practical implementations of both Risk Evaluation and Mitigation Strategies (REMS) and Risk Management Plans (RMP) and their importance on drug safety. The course will highlight key differences and similarities and provide real-world examples to illustrate how each document is applied to the same product.

Benefits of attending

- **Gain** a thorough understanding of REMS and RMP, including their purposes and regulatory contexts
- **Learn** to differentiate between REMS and RMP, focusing on their unique and overlapping aspects
- **Discover** best practices for developing and implementing REMS and RMP
- **Enhance** your skills in regulatory compliance and risk management within the pharmaceutical industry
- **Analyse** real-world example to understand practical applications and challenges

Who should attend?

- Pharmacovigilance specialists
- Drug safety officers
- Regulatory affairs professionals
- Clinical research associates
- Medical affairs personnel
- Risk management professionals
- Healthcare quality assurance specialists

Run this programme in-house for your whole team

Coming to IPI Academy for your in-house training provides an all-inclusive service which gives you access to a wide variety of content, learning platforms and delivery mechanisms as well as your own personal training adviser who will work with you from the initial enquiry through to feedback and follow-up after the programme.

With over 600 trainers, all practitioners and experts across a huge range of fields, we can provide the training you need, where you need it, when you need it, and at a price which suits your budget. Our approach to tailored learning and development consists of designing and delivering the appropriate solution for each client.

For your FREE consultation and to find out more about how we can work with you to solve your training needs, please contact our training advisers:
